6. *How to "Friend" Someone on Facebook & Hide It From Your Status Updates*

A short tutorial on [Makeuseof](#) to guide you how to hide Facebook status updates and keep that fact confined to your closer friends.

The image shows the 'Status Updates' privacy settings interface. At the top, there's a blue header with the text 'Status Updates'. Below it is a light blue bar with a lock icon and the text 'Who Can See This?'. The main content area is divided into three sections: 'Friends', 'Networks', and 'Subscription'. Under 'Friends', there are three radio button options: 'Friends of Friends' (selected), 'Only Friends', and 'Some Friends'. Under 'Networks', there is a dropdown menu currently set to 'None of My Networks'. Under 'Subscription', there is a checked checkbox for 'Allow friends to subscribe to my status'. Below these sections is a red bar with a minus sign icon and the text 'Except These People'. A search box is active, showing 'Big Boss' as the input. A dropdown menu is open below the search box, listing 'Big Boss Man' with the location 'Parts Unknown, KY'. At the bottom right of the search area, there are 'Okay' and 'Cancel' buttons.

7. *How to Create a Photo Collage Using Pictures of Your Facebook Friends*

Click on Friends tab. Proceed to More tab. From "Choose an option" dropdown, choose any of the dashes "—" . Your Facebook friends collage is right on your computer screen.
